

Quality Report – Official Website

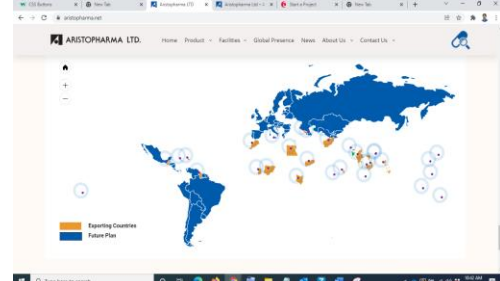

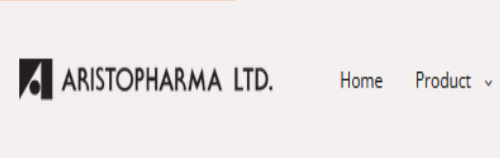

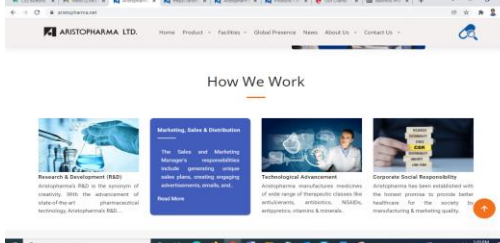

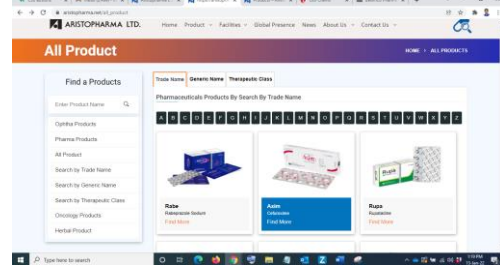

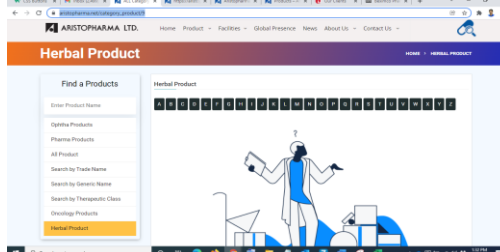

<https://aristopharma.net/>

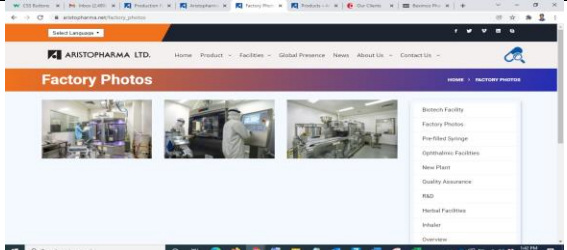

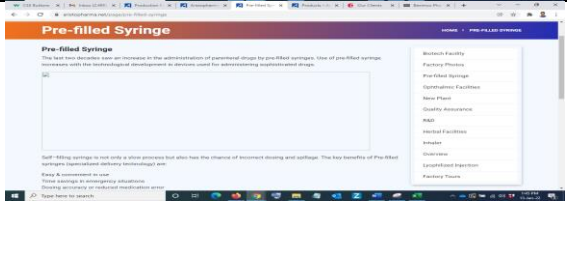

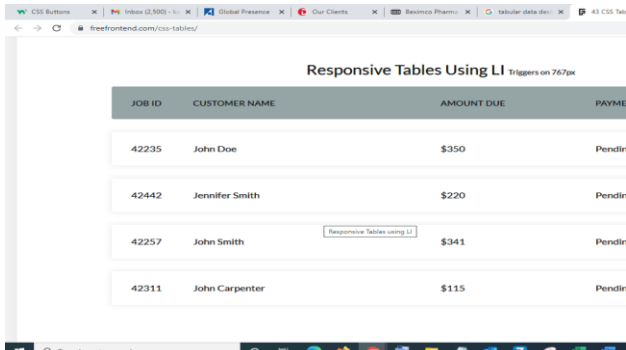

#S N	Division/ Elements	Findings Summery	Suggestions	Snap Screen	Allo
1	Subscription Bar / Social Network Icon Bar	Icons are touching top margin.	Alignment: Vertically Center		Every Pag
2	Social Networks URLs	Proper Resource Links are not set/shared	Set Proper Resource Links		Every Pag
3	LinkedIn Icon – Hover Text	Hover text for LinkedIn is showing as Instra .	Set LinkedIn profile name as LinkedIn		Every Pag
4	Product Search	Product Search icons/ texts hover background is hiding the brand title/ website title.	It might look good If we use a very light (Off-White) background color or only the text with a thinner border .		Every Pag
5	Product Search Icon	<ul style="list-style-type: none"> Product Search Icon size is larger than the brand icon of Aristopharma which makes the design little bit degraded. Icon color 	<p>Better to reduce Product search Icon size and align the level with brand title.</p> <p>Our suggestion is to set/keep Icon color: Black (In header section miscellaneous colors are found) If we set black then it will be within 2 colors (Black and Orange)</p>		Every Pag

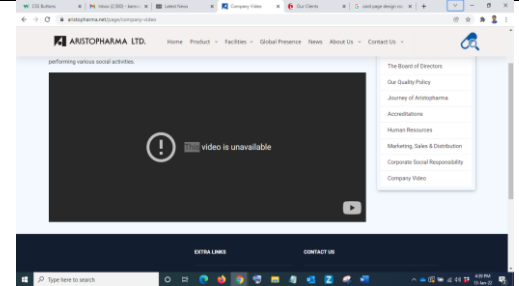

6	Contact Us	Contact Address text alignment is not organized.	Contact Address icon and text might have a specific marginal line from which it will start.		Every Page/
7	Contact US – Page	Contact Section/Division <ul style="list-style-type: none"> • Font Family • Font Size • Background • Division height • Inter Division Padding 	Background Color of the Contact Section will highlight this better. Font Family and alignment might be reorganized for better outcome. Division Height and Inter division height between Map & Contact is Recommended for better output.		Page, https://aristop
8	Write to Us	Write to us Section Font Started with: Small Hand letter (phone, subject) Text submission (Check)	All text field suggestions text might be good to keep starting with Capital letter. Apply – Text Submission (Write to us)		Page, https://aristop
9	Product Search	Product Search is not working properly if we don't select items from the 3 consecutive dropdowns for	Need to adjust the SQL Query for the exception / ERROR Code.		Every Page/ https://aristopharma.net

		the Product search Section.			
10	Contact Us/Distribution Centers	Image is not showing.	<ul style="list-style-type: none"> Image resource file need to check. Landscape wide image would be good to see here. 		https://aristopharma.com
11	Language Selection	Language Selection Dropdown / Button doesn't look good.	<p>We can follow the following sites language selection panes design.</p> <p>https://wegot.com/9-tips-for-designing-a-multi-language-website/</p> <p>https://aristopharma.com/</p>		Even
12	Navigation Bar Orientations	Navigation Bars dropdown is not similar for every navigation key. Somewhere – vertical, somewhere Horizontal	Horizontal dropdown List looks better than vertical dropdowns.		Even
13	About Us/ Company Profile	<ul style="list-style-type: none"> Company Profile heading is showing Multiple time Navigation pane is repeated twice. Unnecessary <Div.> element is found 	<ul style="list-style-type: none"> Company Profile heading is showing Multiple time Navigation pane is repeated twice. Unnecessary <Division> should be removed. 	<p>1</p>  <p>2</p>  <p>3</p> 	https://aristopharma.com

14	About Us/ Founders Speech	<ul style="list-style-type: none"> Design is not differentiating the speech and the quoted line. Font size is different Name of the chairman sir with designation might be placed at the bottom or at the end of the speech. 	<ul style="list-style-type: none"> Italic/Bold text format might differentiate the speech and the quoted line. (Speech: Font-Family: Cursive) Need to check font size of the paragraphs. Photo, Name, Designation: Right Align Speech: Left Name of the chairman sir with designation might be placed at the bottom or at the end of the speech. 		https://aristopharm
15	Every Page / Font, Text size, Font Family other Attributes	<p>Attribute properties are not maintained same in every page</p> <ul style="list-style-type: none"> Font Family Font Size Style: Bold 	<p>Attribute properties should be maintained same in every page.</p> <ul style="list-style-type: none"> font-family: serif Font Size Style: <p>We found the style attributes (Header/paragraph font family, size) on home page are more standard to see than the other pages. So matching elements property with home page is expected.</p>		https://aristopharm https://aristopharma
16	Every Page	Semicolon after any Heading	Better to remove all semicolons after heading/header	<p>Principal Office: _____</p> <p>Factory (Shampur): _____</p>	https://aristopharm
17	Home	Subscribe Button background hover is not responsive.	<p>It may transform to one of the following-</p> <ul style="list-style-type: none"> Button Shadow Hover Text Color Button Background Color <p>https://www.w3schools.com/css/css3_buttons.asp</p>		https://aristopharm

18	Home/Map	<ul style="list-style-type: none"> Zoom in/out is not working 	Zoom in / out of the map will make this dynamic.		https://aristopharma.com
19	Home/Navigation Padding	Navigation padding is huge.	Navigation padding (top and bottom) can be reduced for a minimal thinner border which will bring a standard view. <code><div class="header-navigation-area"></code>		https://aristopharma.com
20	Home/How we work	Animated Background color is Blue.	As maximum hover/transformation is turned to Orange So it's better to set Animated Background color (hover): Orange		https://aristopharma.com
21	Products/all products. #Generic Name #Therapeutic Name	Background color: Hover is not applied for #Generic Name #Therapeutic Name Only found for Trade Name and which is Blue.	Background color transformation .text-container {} set orange Hover transformation for the item text container is expected also for the #Generic Name #Therapeutic Name And also, for the other listed category to the left.		https://aristopharma.com
22	Products/Herbal Products	Herbal Products are not listed Content (Check)	Deploy herbal products for the specific section.		https://aristopharma.com

23	Facilities/Biotech Facilities	<p>first in 1978. <<Repeated>></p> <p>Content (Check)</p>	Need to deduct repeated text.		https://aristopharma.com
24	Facilities/ Factory Photos	Only 3 photo is shared	Minimum 3 x 3 Matrix is expected.		https://aristopharma.com
25	Facilities/ * Prefilled Syringe * Ophthalmic * Quality Assurance * R & D * Inhaler * Lyophilized Injection * Factory Tours	Photo source is not defined or matched the format	Re set the source and format. Prefilled Syringe * Ophthalmic * Quality Assurance * R & D * Inhaler * Lyophilized Injection * Factory Tours		https://aristopharma.com
26	Global presence / Current destination	Current destination section is not focused.	It might be presented in tabular form without border line but having with padding enough, background color will shift to other for each row for the continents.	<div style="background-color: yellow; text-align: center; padding: 5px;">Suggestion</div>	

30	About Us/ Company Video	Official Video source is unavailable	Video resource link have to reestablish.		https://aristopharma.net/
31	Responsiveness	<p>Checked for Browsers: <i>Google Chrome,</i> <i>Mozilla Firefox,</i> <i>Microsoft Edge.</i></p> <p>Not checked for: <i>Mobile Devices</i></p>	Suggestions are listed for the improvement.
